BONAIRE: A Jewel In The Netherland Antilles (Carol's Worldwide Cruise Port Itineraries Book 1)

Synopsis

Bonaire a world-class favorite dive adventure destination. There are numerous, popular dive and snorkel sites in Bonaire. Located on the sheltered leeward coast of Washington-Slagbaai National Park, Nukove is another one of the island's most pleasant diving and snorkeling sites. Park visitors need only wade offshore to encounter brilliant, swirling schools of reef fish, including parrotfish and blue tangs. To relax, there is an intimate and inviting little white sand beach. Why is Bonaire a world-class favorite dive adventure destination? (1) Over 60 dive sites around Bonaire and over 26 around Klein Bonaire with wrecks, reefs, walls, shore dives and a protected underwater park (since 1979). (2) All dive sites are marked by mooring buoys. Some sites are retired for several years in order to remain healthy. (3) The visibility often reaches 130 feet and averages 60--100 feet. (4) Abundance of sea life of every size and even if you are not an "aqua-nut," you can experience and enjoy the sights and sounds of this pretty island. color imaginable! Over 500 species of colorful tropical fish. Over 120 types of coral. All flourishing within a protected marine.
